

LV Gold Membership

A LV call sign is always free. However, we now have a membership for 75 euros per year. This membership will give you a 100 club QSL cards. You receive 50 stickers and a membership's certificate and a call sign wall emblem sent to your home. Also you get a free participation during our contest with great prizes.

And last and not least your own LV webpage made by PJ 19LV002

Rules and regulations

Important rules and regulations (code of conduct) Lima Victor Free International DX Group

1:1 Important for members, new members visitors: Inform yourself about the Law and regulations for 11 meter band. Lima Victor Free DX club takes no responsibilities how members using their RTX, transceivers or outer radio equipment Golden rule: inform yourself about the Law and regulations we take no responsibility for the information on the Lima victor Free International DX club websites, or web links, message Board, activations, contest, managers, spots contest prizes (by sponsoring) etc etc

1:2 A membership at the Lima Victor is low profile and Free no contribution Needed for a Call-sign! what we ask from you in return is only that you use the callsign of the LV DX Group on the air 100%. You can join us without any DXcc experience. Why? Beaccause the Youngsters have the right to love this 11 meter dx hobby. Our Members and HQ Staf will help you with your hobby where needed. We all have a lot of experience in the CB 11 meter hobby.

1:2 B LV Gold Membership

A LV call sign is always free. However, we now have a membership for 75 euros per year. This

membership will give you a 100 club QSL cards. You receive 50 stickers and a membership's certificate and a call sign wall emblem sent to your home. Also you get a free participation during our contest with great prizes.

And last and not least your own LV webpage made by PJ 19LV002

1:3 The use of other call signs is permitted with some rules and regulations. If you planning to use another call sign of a other DX Group , the rule is that you have to inform us about this callsign change. If you do not inform us about this change the HQ and CO is allowed to delete your callsign, account, administration, webpage spots etc etc. without any notice!

1:4 If you give us the information about the use of another call its okay that you are using that call sign too. Its not allowed to be a manager, or HQ or CO member of that club. In that way we delete your account as seen on the note of

1:5 A note to all members, new members or visitors. you are not allowed to use or make a website with a url containing follow name or words " limavictor or limavictordx or clusterdx". This is only possible with permission of Jack 19LV001 and PJ 19LV002 HQ of the Lima Victor Free International DX Group. Official registered club and 11 meter radio group in the Chamber of commerce by PJ 19LV002.

1:6 However the frequency is not owned to any dxers, we ask you to take notice of this info! the LVDX group using the freq 27:530 mhz since anno 1979! More old DX clubs using their own monitor freq for their members and club communication or international DX. We ask other club stations and single operators to take a note of this info. 1:7 Lima Victor Free DX club All rights reserved copyrights 1979-2018

1:7 Racism

No form of racism is accepted, in any form whatsoever. If you do so or willing to do so! you will be removed and if necessary we do report this to police.

1:7A
